BRIEF ABSTRACT OF LETTER.

Forwards a letter addressed to the Secy to Govt by the Registrar, Chief Court, together with the proposal Statement recd therewith and states that the Statement has been duly verified in his office.

NOTES AND ORDERS.

The Chief Court propose an increase of pay to the lowest class of peons, 15 in number, from Rs 6/- to Rs 7/- per mensem, and a similar increase to the only Scavenger, on the menial establishment of the Chief Court.

2) The proposal involves an additional recurring expenditure of Rs 16/- per mensem or Rs 192/- per annum.

3) The reason put forward by the Chief Court for the proposed increase is that the pay for this class of peons menials is too low to attract capable men in these days when the cost of living has increased. It is not known if the Chief Court has not at present the sanctioned strength of this class of menials ~~for want of suitable~~ on account of men fit for the service not having offered themselves when vacancies occured.

4) It may be noted that the pay of the last class of peons in the Genl Adm. Secll is Rs 7/- per mensem and that the lowest pay of a Scavenger in the G.A.S. is also Rs 7/- per mensem.

5) If the proposal meets with the approval of Govt in the Administrative Deptt., Br. III will have to be consulted.

6) It cannot be doubted that the cost of living has arisen in Bangalore as also wage earning power: & that therefore the lowest limit of Rs 6 as pay of some peons fixed years ago, calls for increase.

7) The proposed increase of 1 Rupee is modest & brings the minimum pay of peons of the Chief Court into lines with that of the G.R.S.

10) The reduction of the menial establishment of the Chief Court ordered in 1906 led to a saving of Rs 720 per year. This will be reduced by Rs 192 if the proposal is sanctioned with effect from the 1st July 1913. There is no provision in the budget for this amount. 19 The Chief Court state that the pay of Rs.6 which the peons of the last class in their office are now drawing, is too low to attract efficient men, and in view of the rise in the cost of living within the past few years, it is desirable to raise their pay at least to Rs.7 per mensem. The proposal involves an additional recurring expenditure of Rs.16 per mensem, or Rs.192/- per annum.

21 3. The First Councillor observes that what has been applied to other offices must apply to the Chief Court also and that it is unfair to ask peons of that office to work on Rs.6. There was once a reduction of the menial establishment in the Chief Court and unless as a general measure affecting all offices, no further reduction can, he says, be asked for. In these circumstances, he recommends that the proposals of the Chief Court may be sanctioned so as to come into effect from the date of the order.

22 4. I understand that the minimum pay of peons in the General and Revenue Secretariat is Rs.7, and that the proposal of the Chief Court will only bring the lowest pay of the Chief Court menials into line with that of the General and Revenue Secretariat. The reduction of the menial establishment of the Chief Court ordered in 1906 on the recommendation of the Retrenchment Committee resulted in a saving to Government.

Sir,

I have the honour to forward herewith letter No.2177/147 dated 9th Instant addressed to you by the Registrar of the Chief Court in Mysore together with the Proposition statement received therewith, and to state that the statement has been duly verified by this office.

The proposal is to raise by one rupee each, the pay of 15 peons and one scavenger who are now paid at the rate of Rs.6/- per mensem. The financial effect of the proposal will be an addition of Rs.16/- per mensem or Rs.192/- per annum to the permanent recurring expenditure of the State.

Since no specific reappropriation of sanctioned grants has been pointed out for meeting the extra expenditure the proposition, if sanctioned will have effect only from the next official year.

I am directed to state that the last class of peons in this office draw Rs 6/- which is too low to attract capable men. Poor people prefer to earn daily wages at 5 As a day though men who entered the service long ago are obliged to remain to earn their pension.

The cost of living has risen very much within the past few years and the lowest scale has therefore to be raised to at least Rs 7/-. The extra cost incurred will be only Rs 192 per annum as shown in the enclosed Proposition Statement which can be met from the savings under Law and Justice.

I am to request the sanction of Government to the same.

I have the honor to be,
